“ Your commitment will help guarantee our success ”

Cecil Duckworth OBE. Chairman

In professional sport there is a very fine margin between winning and losing but we believe with the impetus and style we have developed this season we can look forward to the 2008/09 campaign being the best in the club's long history. We have learnt a great deal from the experience of this season, have seen our thriving Academy produce a number of exciting players who have now become first team stars and continue to recruit top class players to make sure we make strides forward. Work will continue as we strive to make Worcester Warriors a club that you can be

proud to be associated with. On the field we believe we will have side capable of competing with the very best while playing an exciting brand of rugby. Off the field the development of Sixways Stadium continues as we look to transform it into a fantastic rugby stadium and conferencing facility that everybody connected with the city and Midlands should be proud of.

Your support is, of course, fundamental in our ability to build for the future and I do hope you will continue to back us through thick and thin as that is the measure of a true supporter and will indeed guarantee our success in the future.

“ We want Sixways to once again be a fortress ”

Mike Ruddock. Director of Rugby

Last season we rebuilt the team here at Warriors and introduced a new style and way of playing rugby at Sixways Stadium – during the 2008/09 campaign we expect that hard work to pay off.

Every player and member of the backroom team is very excited about next season. Our Academy stars will be wiser and recognised as established first team players. Those that joined us halfway through a Northern Hemisphere season will start fresh and without injury. International players of the quality of Chris Latham and Hal Luscombe will add much to the squad. When you put it all together I hope you realise it will make us a much more potent force.

I would like to thank you, our fans, for your patience and unwavering support. Your backing is crucial to our success and key to the future. Only with you behind us can we drive us towards the goals we plan to achieve and make Sixways Stadium a real fortress.

I know the players and coaching staff believe we have the best fans in the Guinness Premiership if not beyond – let's prove that again in 2008/09 and make Warriors a force in European rugby.

PUTTING SIXWAYS STADIUM TOP OF THE LEAGUE!

EAST STAND DEVELOPMENT

The development of Sixways Stadium will continue at pace this summer as we continue to strive to give you, our dedicated and loyal supporters, the ultimate match day experience when you visit the home of the Warriors.

On the field the Warriors continue to make huge strides in the Guinness Premiership and in Europe – and off the field we will not be left behind as our facilities take another ‘quantum leap’ forward this summer with work on an £8million extension of the existing East Stand.

The new East Stand will boast a state-of-the-art cantilever roof which means there will be no support pillars and no restricted views. The development will also include 120 metres of new

pitch side hospitality with corporate boxes, lounges and function rooms, balconies and bars, a mouth-watering pitch view restaurant and a new Business Club that will allow all of the West Midland businesses to network and socialise in the region’s premier rugby hospitality. The stand will also grow to increase the stadium capacity to 12,000.

The planned new development in the North East corner of the stadium will become the focal point of the entire complex with an expansive main reception, accessible ticket office and a spacious retailing opportunity on the ground floor.

“The new-look East Stand will house 6,000 Warriors supporters and the noise and atmosphere will be electric. It will truly take our facilities a quantum leap forward” said Chairman Cecil Duckworth OBE.

Debenture Scheme

The vision of our Chairman, Cecil Duckworth OBE, has always been to make Worcester Warriors the best club in European rugby. To achieve that goal we want to provide our supporters with the best stadium in which to watch the very best rugby.

Our plan for the future has now led us to the exciting development of the East Stand, symbolising a new beginning for Sixways Stadium. Now the future commitment of everyone associated with the club is paramount to helping us achieve our ambitions.

In previous years we have used a Debenture scheme to reward your loyalty by effectively fixing the price over the next few years and give you the very best facilities to watch Worcester Warriors. We are now delighted to be able to introduce a new East Stand Debenture which will run until May 2011 and make use of the fabulous new facilities, including two spacious lounges serviced by private bars and toilet facilities.

This fantastic new premium area is limited to 500 places and benefits from unhindered access so you can arrive through the new club reception rather than queuing at turnstiles. With padded seats, based around the halfway line, and no pillars to obstruct your view, we firmly believe that this will provide you with the best place to watch top class rugby anywhere in the UK.

As your commitment is crucial to the Warriors realising our vision, we are fixing the price in this section and are offering a new, three-year, East Stand Debenture for just £1,500. Those existing Debenture holders who would like to extend to 2011 can also do so for £1,000.

We have kept car parking separate from this price due to limited current availability but priority for this and also any international tickets available through the new international ticket ballot will be open to our Debenture holders only.

We will also be introducing a payment plan of just £250 per month should you wish to manage your Debenture payment through the summer.

To apply, complete the detail on the application form but if you want any more information on this exciting new opportunity call our Ticket Office today on **01905 454183**.

Many thanks
