# Train like a warrior

**Worcester Warriors residential camps are back! We will be hosting the camp at the prestigious Malvern College with tremendous facilities and surrounded by the Malvern hills.**

Our residential rugby camps provide the perfect opportunity for young and aspiring players to improve their game with 12+ coaching hours from our team of qualified and experienced coaches, led by Alex Grove a former Warrior.

It will be a comprehensive 3 days where players will learn key rugby fundamentals around attack, defence and contact areas whilst maintaining a fun environment where players can grow. There will also be time carved out for the players to learn key position specific and micro skills from current Warriors players.

**Tuesday 7th April - Thursday 9th April**  
**U'11s - U'14s | £350 per junior**
